To whom it may concern,

I first contacted Business Consulting and Ms. Iwona Szybka looking for assistance with our newly opened office in Warsaw, fall 2014.

As our company was new to this market, we required organized, spot on solution that would give us a competitive edge in the IT market. With the support of Business Consulting, the process went smoothly, considerably fast and we were presented with a service that met and quickly exceeded our expectations.

I would recommend services of Ms. Iwona to companies that appreciate high quality services tailored to the expectations given.

Yours sincerely,
