Dear Sir / Madame :

As Promotion Manager at the Foreign Trade Institute of Castilla-La Mancha (IPEX), company depending on the regional government and focused on the increase of exports and foreign direct investment in Castilla-La Mancha (Spain), I declare that the consulting company Gedeth Network was hired by IPEX to develop the trade mission with Spanish exporters of consumer goods, services and contract in Sydney and Melbourne from May 13 to 17, 2019.

The promotion action was successfully made for four companies, organizing business agendas in both cities with potential importers, distributors and added value retailers.
