Dear Enrico & Beatrice,  
Greetings,

I apologize for delay in writing this mail due to my severe back problem. I was advised to take complete bed rest for at least 15 days to recover fully. Now I am feeling better & taking the opportunity to pen down my observations & feelings about CIBUS and hard work put in by your beautiful team.

First of all, Congratulations to YOU for all your incredible hard work to make the CIBUS happened. It was a great success, and it was really special for us to be able to spend a bit of time with MOST OF THE EXHIBITORS and a real pleasure and honor for me to meet each of them personally.

Thanks to your team members, everyone has been very helpful. You were genius at organizing it all, and making it all come together beautifully. Your efforts were deeply appreciated.

The meetings with all exhibitors and food tasting were all spectacular & my favourite were the all Pastas and pizza booths. The foods that came out of those booths were phenomenal. I wish I would've been able to extend my stay more, however we did in a good 3 days of fruitful meetings & food tasting, which was such an amazing experience.

We appreciate your arrangement for a wonderful trip and a stimulating first-rate Food Festival. We had a great time and learned a lot, and were very touched by the warmth of your hospitality despite all our demands.

I am honoured because you gave me the opportunity to participate in this first rated Food Festival. I am sending this letter to you to appreciate your outstanding hospitality, which made my stay in Parma very delightful and enjoyable experience.

I would like to express my gratitude to the organizing committee for the Great Show and I am looking forward to attend more international festival hosted by CIBUS.

Regards
