

Invitation

High Tech Timber Construction for Greater London

Tuesday, 19 November 2013, 6.00pm – 9.30pm
at the Embassy of Switzerland in London

Presentation High Tech Timber

The High Tech Timber pool of five Swiss architects and engineers invites you to explore the possibilities that innovative high tech timber constructions can provide to the development of the Greater London Area, where high-density housing is a key issue.

The event highlights a full-scale mock-up, designed specially for the occasion.

RSVP by Thursday, 31 October to lon.sbhuk@eda.admin.ch
