

O&L CONSULTANCY SERVICES

Your Business Expansion Partner

List of client's credentials (2006 til present)

"Thank you very much O&L for your hard work and co-operation. It has been a great pleasure working with you all."

- Mr. Ollipekka Korhonen, Marketing Director, MultiTouch Asia (Finland)

"Overall, we are pleased with O&L Consultancy, we engaged them for a project governance job, particularly to assist our firm on the operational aspects of a mega fashion show, and O&L has to date been most professional in their service deliverables, from disciplined inquisition into the details of project budget to diplomatic offer of insights gained from past experience on industry practices as a potential comparison. Their role brings synergy to all stakeholders involved."

- Ms Quah Su-Yin, Chief Executive Officer, Infiniti Asset Management Pte Ltd

"We have employed O&L's services in terms of market feasibility studies and sourcing for distributors for several markets including the Indonesian and Vietnamese markets. The information provided proved invaluable to us in determining the correct marketing mix and in negotiations with potential distributors for success in these markets."

- Mr Andy Ong, Marketing Director, Corlison Pte Ltd (Pearlie White)

“O&L’s services have added tremendous value since 2006 to present and provided us customer service insights that in turn help us commit wholeheartedly towards serving our customers.”

- Mr Tan Vui Ming, Director, CITIBANK Singapore Limited

“O&L has provided us with very useful information for our market research in China”

- Mr Kawamura, General Manager, Del Monte Asia Pte Ltd

We’ve had a very good experience working with O&L in China and have benefited much from the study conducted by them.”

-Mrs Ng Gim Choo, Founder and Managing Director of Etonhouse

“We can rely on O&L to do our projects in major South East Asian countries, thanks to their good network of researchers across the region. Our projects with O&L have helped us understand the dynamics of various markets in the region”.

- Mr Sufri. Burhan, Business Development Manager, Galenium Pharmasia Laboratories
