DISRUPTION. DELIVERED.

ABOUT NEXT SA.

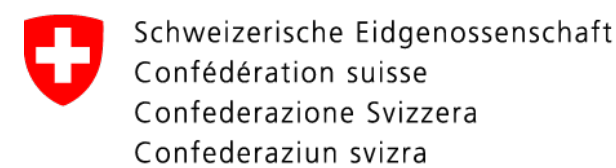

NEXT SA is a boutique advisory firm specialized in aeronautics, security and defense. We support governments, deep-tech SMEs and startups in business-critical missions:

- **Growth Strategy** and **Business Development**.
- **Trade Compliance** and **ITAR implementation**.
- **International Expansion** — with focus on the United States and Saudi Arabia.
- **Offset** and **Strategic Capability Development**.

ABOUT NEXT SA. /2

NEXT SA supports governments and prime contractors with strategic expertise in capability development and industrial cooperation. For OEMs, we design capture strategies and offset programs that maximize local value creation and deliver tangible benefits to the Armed Forces.

...

NEXT SA helps deep-tech SMEs and startups accelerate international growth with hands-on support in business development, ITAR compliance, offset programs, and access to funding — with a proven track record in the U.S. and Saudi Arabia.
