

Olivia managed the role with exceptional poise and displayed an ability to work independently while also contributing to the overall objectives of the Victorian Government in South East Asia.

Olivia was pro-active throughout her tenure with the Victorian Government Business Office and generated substantial activity and outcomes during her employment. Olivia was a valuable contributor and her good humour and infectious enthusiasm is a loss to the organisation.

I would not hesitate to recommend Olivia and provide this letter of support in recognition of her character and achievements.

Please do not hesitate to contact me at helen.rowell@ecodev.vic.gov.au should you require any clarification.
