Dear Carla,

As I told you before on the phone, LW is very happy with the report and its result.

Thank you again for your excellent work.

Due to the satisfying result, LW will visit Korea in the second week of March.

Louis Widmer wishes to meet all six companies, the five introduced in your report plus one that we added.

I will arrange, accompany and translate all meetings.

I wish you and your families a happy new lunar year.

Best regards,

Hyun-Chung Choi / 최현정
