Dear Sir/Madam,

### **Re: Reference Letter**

We are very pleased to have work with Mr. Niklaus Locher during his time as Sales Director in [REDACTED].

We have been very successful in promoting the [REDACTED] range of product together with him and manage to penetrate into the Singapore Military for Unmanned systems and Air Defense application.

Mr. Locher has been very professional and supportive in his business conduct and an exemplary sales person. His is able to establish good working relationship with our customer very quickly and was able to rally much needed support to ensure that the programs we work on are successful.

I have no doubt that given the opportunities; Mr. Locher will be able to deliver excellent performance and results in the organization that he works with.

He will truly be a valuable asset to have in any company to drive international sales.

Thanks and Best Regards

Yours Sincerely
