Quotation on the collaboration between Nelcons und Trunz Water Systems AG

To whom it may concern,

Since 2010 Nelcons represents Trunz Water Systems in Colombia and has opened that market to our products. The cooperation turned out to be a showcase example of good business relations across continents. Nelcons lives Swiss values such as reliability, customer focus and punctuality - values that are not always easy to find in Latin America.

Yours faithfully,

Trunz Water Systems AG
